About this report

- Period: Year to date, January to October 2026. Changes compare October with September.
- On target meets the approved target. Watch is between the target and the watch threshold. Off target is beyond the watch threshold.
- A theme takes the status of its weakest headline KPI.
- Platform requirements covered (tender references): BI-05.
- Light-touch theme for now: one headline KPI and three supporting indicators, fed into ESG reporting (BI-05).
